Unique Selling Points

- **Next Generation BlackBerry®:**– The BlackBerry® experience today – called BB7 takes you into a world of amazing graphics, new to the world concepts and technology and an industry leading browsing experience. BB7 has a distinct personality – sharp, bold and quick witted, it's really a "can't take your eyes off me" experience..
- **How Instant Messaging Should Be:**– BlackBerry® Messenger (BBM) simply put: BlackBerry® to BlackBerry® instant messaging; but its so much more! That's why BBM has over 45 million active users. Share more than your weekend update with friends- send and share songs, apps, games and more.
- **Smart Moves with Less Steps:**– It does what you want it to do, how you think it should happen and it moves quick. Whether you are syncing songs over Wi-Fi to your smartphone, or switching between apps while making weekend plans- it works and its easy to use.
