BigPond ADSL Premium Home Network Gateway

Specifications:

- Telstra's new modem, router and a Wi-Fi access point provides our best ever ADSL Wi-Fi connection in the home with the latest N-standard Wi-Fi
- Great for families - everyone in a typical house can share the internet connection at the same time (each computer must meet minimum system requirements)
- It's DLNA Certified^{®1} which allows quick and easy sharing of digital content like photos, music and videos with other internet connected devices in the home
- Easily connect multiple devices such as T-Box[®], PCs, Macs, laptops, smart TV's and games consoles
- Includes one high speed Gigabit ethernet port and three standard ethernet ports for a wired connection
- Quick and simple DIY installation - no need to be a technical expert
- Industry standard Wi-Fi security encryption to help protect your home network from unauthorised people gaining access
